INDEX OF ARTICLES, NOTES, AND COMMENTS
VOLUME XVII

Ang, James S. (Florida State Univ.) and Jess H. Chua (Univ. of Calgary), The Ex Post Costs of Convertible Bonds as a Source of Equity Capital, 3:61.

Campbell, J. M., Jr. (Florida State Univ.), The Impact of Reserve Margins on the Cost of Electricity Generation, 2:37.

Carpenter, Michael D. (See Glenn V. Henderson).

Cash, Dennis R. (See Michael A. Hitt).

Cebula, Richard J. (Emory Univ.), Property Taxation and Prices: An Exploratory Note, 2:85.

Chua, Jess H. (See James S. Ang).

Corcione, Frank (See Robert J. Thornton).

Deckro, Richard (See Dana Johnson).

Dirsmith, Mark W. and James B. Thies (Pennsylvania State Univ.) The Impact of Lessee Accounting Rules on Management Decisions, 3:26.

Dyl, Edward A. (Univ. of Wyoming), Optimal Short-Term Financial Policies for Municipalities, 1:78.

Edelman, Richard (Communication Satellite Corp.), A Note on Using Principal Component Analysis to Rate Bonds, 3:83.

Edmonds, Charles P. (See William P. Lloyd).

Ford, Robert (See Frank McLaughlin).

Gitman, Lawrence J. (Wright State Univ.) and Kanwal S. Sachdeva (San Diego State Univ.), A Framework for Estimating and Analyzing the Required Working Capital Investment, 3:36.

Hagerman, Robert L. and Mark E. Zmijewski (State Univ. of New York), A Test of Accounting Bias and Market Structure: Some Additional Evidence, 1:84.

Henderson, Glenn V. (Arizona State Univ.) and Michael D. Carpenter (Univ. of Kentucky), Estimation Procedures and the Stability of the Market Model Parameters, 1:51.

Hitt, Michael A. (Oklahoma State Univ.) and Dennis R. Cash (Texas-New Mexico Power Company), Task Technology, Individual Differences, and Job Satisfaction, 2:28.

Jarrett, Jeffrey E. (Univ. of Rhode Island), The Relationship of Cost Variation, Prospective Rate Setting, and Quality of Care in Nursing Homes: A Hedonic Examination, 2:67.

Johnson, Dana (Virginia Polytechnic Institute and State Univ.) and Richard Deckro (Univ. of Wyoming), The Role of Economic Variables in Relating Changes in a Firm's Earnings to Changes in the Price of Its Common Stock, 1:27.

Kehr, James B. (See David C. Leonard).

Kudla, Ronald J. (Arizona State Univ.), Strategic Planning and Risk, 1:1.

Lawler, Thomas A. (Chase Manhattan Bank), Monetary Actions, Almon Lags, and the St. Louis Equation, 2:11.

Leonard, David C. and James B. Kehr (Miami Univ.), Stock Market Returns and Monetary Aggregates: Recent Evidence on the Issue of Causality, 1:40.

Lloyd, William P. and Charles P. Edmonds (Auburn Univ.), The Impact of a Sinking Fund on the Firm's Cost of Debt, 3:52.

McLaughlin, Frank and Robert Ford (Univ. of North Florida), Defining Corporate Social Responsibility: A Three-Group Study, 1:72.

Mikesell, John L. (Indiana Univ.), Changed Sensitivity of the Federal Individual Income Tax, 1973-1976, 1:89.

Misiolek, Walter S. (Univ. of Alabama), Macroeconomic Effects of Systematic Differences in Price Expectations, 3:90.

Mitchell, A. Cameron (See Stanley R. Stansell).

Murphy, James M. (See Allen Rappaport).

Palomba, Catherine A. and Neil Palomba (Univ. of Maryland at College Park), Occupational Segregation and Earnings Differentials by Sex: A Simultaneous Model, 3:45.

Palomba, Neil (See Catherine A. Palomba).
